About this property

A plot of land with a size of 14,000 sq. m. is facing with a nice view of the village. There is water and electricity in there. The land is perfectly suitable for building of a house or family villa. The plot borders asphalt road which is easily accessible in all seasons. The village belongs to Sisattanak municipality of Vientiane capital. It offers great conditions for living. This plot currently has status of "empty land", but change of status to "house construction sit" is possible. The land is suitable for building your house. Furthermore, it can be developed or just kept for investment and re-sold with profit later as it is at the moment. The village itself offers facilities like market, hotel, school, restaurant and transport to the other district.
