About this property

Are you looking for suitable plot where to build a family house, but you prefer the silence of the village in perfect combination with the proximity to the big city? View our new offer for the purchase of a nice land suitable for the construction of a private house, located on a good road in a developed village. The area of the plot is 1110 sq.m., currently planted with grasses without any building, which is suitable for construction of your house. There is electricity and water system nearby. In the village you will find a variety of everyday amenities and the picturesque surroundings will charm you with the great opportunities for many enjoyable outdoor activities and using your private life.

Property reservation

If you decide to buy this land, please come to talk with us. we will start the preparation of the necessary documents for completion of the deal. Please contact the responsible estate agent for more information about the purchase procedure and the payment methods.

To book a premium property advertising product contact your real estate agent.
