About this property

Residential land for sale

We offer to your attention a unique plot of land, situated in developed area of the city. There is an unfinished house which provides the electricity and water supply in this area, and offers spectacular views of the nature, while it is also close to the city. The plot has an area of 1,088 square meters. This is a large plot situated on the combination between the nature view and fresh air. Similar plot on the market not very often you can find, due to the exceptional characteristics of the property:

- the plot is located on flat ground and with great terrain of it spectacular views of nature
- The plot is situated at the excellent location as safe community, away from the noise and crowds at the city and the air there is clean and fresh.
- This plot is very interesting, which reveal an unparalleled panoramic view.
- The plot is planted with some species of fruit trees and surrounded by fence
