About this property

Agriculture land for sale in Hatxayfong district, Vientiane capital

This lovely plot of land is disposed not far from the important place in capital. It covers an area of 3,190 sq. m. The region is characterized by its fertile soil, clean air and beautiful nature. The land is black earth, fertile soil, suitable for planting some crops like corn, sunflower, rice and other crops. On the other hand, it is suitable for constructing some project as you planned! The village itself is small but well-developed and has the most necessary facilities: some shops, market, bank, school and restaurant. Currently, the plot is flat and it is overgrown with grasses which could be easily organized. The perfect combination of nature, fresh air and good environment makes this land suitable for investment, which is expected to increase its price with the time.
