About this property

Agriculture land for sale in Xaithany district, Vientiane capital

We have an attractive land plot with an area of 125, 643 sqm, located not far from the city, just few minutes drive from this area to the important place in Vientiane capital. The area has a well-developed infrastructure and easy communication, which makes it as a preferred place for the year round residence or operation of some projects.

Importantly, it is characterized by its fertile soil, clean air and beautiful nature. The land is black earth, fertile soil, suitable for planting some crops like cassava, corn, sunflower and other crops, but you can change it into other land as you want. Besides stunning nature scenes and river view, the region offers excellent facilities such as shops, market, bank, school and restaurant. The property is offered for sale with nice price

Property reservation

If you decide to buy this land, please come to talk with us. We will start the preparation of the necessary documents for completion of the deal. Please contact the responsible estate agent for more information about the purchase procedure and the payment methods

To book a premium property advertising product contact your real estate agent.
