About this property

Excellent opportunity for investment. This is a fertile agricultural land. Recently, its status is a grasses plot, but you can change it into your construction site in the future. The property has excellent communication, as it is not set far from the city center. The plot extends over 3,890 sq.m. It has water and electricity nearby, as well as is situated on an asphalt road. The town has well developed infrastructure and it is equipped with all daily services and public institutions including the market, bank, school, hotel, and restaurant.

How to rent the property?

If you like the property and decide to rent it, we will be able to prepare a rental agreement with the landlord and present it for approval and signature by both parties. Please contact the responsible estate agent for more information on the procedure for renting the property as it may vary between long-term, short-term and seasonal rents.

To book a premium property advertising product contact your real estate agent.
