About this property

We would like to offer a nice plot of land for cultivation or construction of your house. Recently, it is in status of an agriculture land, but it can be changed into a business land or house construction site as you decide. This lovely plot of land is disposed not far from the important place in capital. It covers an area of 70,000 sq. m. It is characterized by its fertile soil, clean air and beautiful nature. The land is black earth, fertile soil, suitable for planting some crops like corn, sunflower, rice and other crops. The village itself is small but well-developed and has the most necessary facilities: some shops, market, bank, school and restaurant. It is very beautiful place. You can look over to field view from this land. It offers excellent conditions for cultivating crops, operating business or constructing house. **Please come to talk with us!**

How to sale the property?

If you like the property and decide to sell it, we will be able to prepare a rental agreement with the property owner and present it for approval and signature by both parties. Please contact the responsible estate agent for more information on the procedure for selling the property

Our services

We are a reputable company with many years of experience in the real estate business. Thus, we will be with you not only during the purchase process, but also after the deal is completed, providing you with a wide range of additional services for your requirements and needs, so that you can fully enjoy your life

To book a premium property advertising product contact your real estate agent.
