About this property

Residential land for sale in Sikhottabong district,Vientiane capital

We present a plot of development land with an area of 620 sq.m. It is suitable for residential construction. It belongs to the large district in our country and has the good neighborhood in this area. The property is located close to the bus stops, a public transport, a, banks, hospitals, schools and a university. Recently, it consists of the demolished house and surrounded by solid fence. You can change it into your house construction site in the future.

The described land is suitable for investment as one of its indisputable advantages is the excellent location close to a variety of everyday amenities and services, as well as necessary public institutions and public transport stops. If you decide to purchase this land, please come to discuss with us!
