About this property

We present to your attention an interesting offer for investment. This plot of land is disposed not far from the important place in capital. It is agricultural land which spreads over the area of 10,485 sq. m. The region is characterized by its fertile soil, clean air and beautiful nature. The land is black earth, fertile soil, suitable for planting some crops like corn, sunflower, rice and other crops. The village itself is small but well-developed and has the most necessary facilities: some shops, market, bank, school and restaurant and regular bus transport. It is very beautiful place. You can look over to field view from this land. It offers excellent conditions for cultivation

Near the village there are several house settlements here, you will find a good neighborhood's friendship. The area is rich in beautiful nature and good environment. Pictures are sample.
