About this property

Our company offers a large plot of land in a quiet and picturesque area, is not located far from the city. The area is gaining its popularity due to the proximity to the nature, picturesque surroundings, field, fresh air and numerous opportunities for leisure, entertainment and business. The plot's area is 4,000sq.m. The village itself is big but developed, which has the necessary facilities: shops, a market, school and restaurant. It is very beautiful place and also offers good conditions for living. The land is suitable for residential construction. On the other hand, it has a good quality soil which is suitable for cultivating rice or other crops. Furthermore, the water, electricity and communication are close to the property.

Property reservation

If you decide to buy this land, please come to talk with us. We will start the preparation of the necessary documents for completion of the deal. Please contact the responsible estate agent for more information about the purchase procedure and the payment methods.

To book a premium property advertising product contact your real estate agent.
