About this property

Agriculture land for sale in Xaithany district, Vientiane capital

We would like to offer agriculture land with an area of 20,000 m² in Xaithany district, Vientiane capital. Land is characterized by its fertile soil, clean air and beautiful nature. The land is black earth and fertile soil. Recently it is planted with rattan. On the other hand, it is suitable for planting some crops like corn, sunflower and other but you can change it into other land as you want. Its indisputable advantages are the large size and the proximity to public facilities such as a market, school and other. The asphalt road is not away from the plot. This land is very interesting for investors and buyers who come here attracted by picturesquely beautiful and clean nature, as well as the great conditions for cultivation.
