Land for Sale

About this property

Agriculture land for sale in Xaithanydistrict, Vientiane capital

We would like to offer agriculture land with an area of 20,000 m2 in Xaithanydistrict, Vientiane capital. Land is characterized by its fertile soil, clean air and beautiful nature. The land is black earth and fertile soil. Recently it is planted with rattan. On the other hand, it suitable for planting some crops like corn, sunflower and other but you can chance it into other land as you want.Its indisputable advantages are the large size and the proximity to public faculties such as a market, school and other. The asphalt road is not away from the plot. This land is very interesting for investors and buyer who come here attracted by picturesquely beautiful and clean nature, as well as

the great conditions for cultivation.

We are ready to organize a seeing of this property at a time convenient for you. Please contact the responsible estate agent and inform them when you would like to have a look this land. We can also help you with good advice
