About this property

You have the great opportunity to purchase a spacious plot of agricultural land of 1.600 sq.m. The water and electricity are easy to connect in this area. The land is suitable for planting rice or other crops due to a good condition of soil. It is located on a dirt road. The property reveals beautiful views over the fields. Its indisputable advantage is the large size, offering you a variety of options for investment projects. In addition to the beautiful scenery, the peace and quietness, the land attracts buyer with its good conditions for cultivation
