About this property

We separate the land for you if you need small plot!

We have residential land with a comfortable price for you. However, we can able to separate the land for sale if you need small plot. It has a good environment surrounding view of the village. The plot's area is 8,400 sq.m. Recently this land is grassed without any building. Electricity and water is easy to connect to the property. There are nice houses neighboring the property. The plot is large enough for construction of a family house. Furthermore, also offers all the facilities that you need -market, restaurant, shop, school and etc.
