About this property

This is land where you will find tranquility and wonderful views to the village. Another important aspect is that the area is supplied with water and electricity system. It covers with size - 525 sq. m . The land is planted with grasses and surrounded by fence. You can change this land into house construction site in the future. The village itself is big but developed, which has the necessary facilities: shops, college, a market, school and restaurant. It is very beautiful place and also offers good conditions for living. The view which you can enjoy is towards the stunning view of village, so if you built your new home on this place you will be able to feel each day the calmness and the beauty of the nature!

How to sale the property?

If you like the property and decide to sell it, we will be able to prepare a concerned agreement with the landlord and present it for approval and signature by both parties. Please contact the responsible estate agent for more information on the procedure for selling the property.

To book a premium property advertising product contact your real estate agent.
