About this property

A charming property is now available for sale with reasonable price. It can be a business land, house construction site or agriculture area as you decide. This lovely plot of land is disposed not far from the important place in capital. It covers an area of 1710 sq. m. Recently, it is characterized by its fertile soil, clean air and beautiful nature. The land is black earth, fertile soil, suitable for planting some crops like corn, sunflower, rice and other crops, but you can chance it into other land as you want. The village itself is small but well-developed and has the most necessary facilities: some shops, market, bank, school and restaurant. It is very beautiful place. You can look over to field view from this land. It offers excellent conditions for cultivating crops, operating business or constructing house. The area is well-developed and it offers great opportunities for operating different activities, which is perfect for investment and developing your own business.
